

## **CHAPTER V**

### **CLOSING**

#### **A. Conclusion**

Based on the results and discussion of the research supported by the data that has been done, it can be concluded that in general the use of worksheets in the teaching and learning process was very good and helped in the English learning process. Student worksheets played an important role in helping students to improve students' understanding skills and can improve students' speaking English skills, it can be seen from the growing ability of students to speak English in every meeting using student worksheets. This shows that it is necessary to use student worksheets in the process of learning English.

#### **B. Suggestions**

Based on the results of the research and conclusions, there are several suggestions as follows:

1. Students, it is suggested to use student worksheets as learning resources.
2. Teachers, should be able to use student worksheets in this study as alternative learning resources that support the learning process.
3. The results of this study are expected to be a reference for further research in the same field.
